Jaiden's Angel Foundation  
127 Noons Quarry Road  
Milford, NH 03055

XYX Company  
123 Street  
Happyville, NH 00000

Dear Committee for Donations:

**"If you live to be 100, I hope I live to be 100 minus 1 day, so I never have to live without you." ~ Winnie the Pooh**

We never contemplate living beyond our children. Yet each day, another families is faced with tragic news concerning their beloved child. It may be a terminal illness, a terrible accident, or an untimely death. We learned this pain when our beautiful 8-year old daughter, Jaiden, died suddenly 3 1/2 years ago. We founded JAIDEN'S ANGEL FOUNDATION, to keep her spirit alive, while helping others in need.

Since our inception in 2008, Jaiden's Angel has assisted 28 New England families facing tragic child accidents, catastrophic illness, and the unbearable loss of a child. Each year we also purchase a Boston Aquarium pass for the Wadleigh Memorial Library, in Milford, NH, in memory of Jaiden Lyndi Tlapa. We continue to reach out and support local families who experience child related tragedies. **We are deeply grateful to XYZ Company for any level of support or donation.**

*"September 14th 2010 started out like any other day for us, until 5:00 pm when we got the phone call that everyone fears. We were told our precious 17 year old daughter was in an accident. My heart sank to my stomach. At the hospital we were told that she didn't survive. We felt like our lives had too ended; changed forever at that moment. We were inspired by the strength and devotion of this wonderful family in carrying on their daughter's spirit by helping others going through similar situations; never once did we think we ourselves would be turning to them for help. We cannot thank Jaiden's Angel Foundation enough, not only for the financial assistance; but the emotional support they've provided to us and so many other families." ~ Testimonial exerpt from [www.jaidensangel.org](http://www.jaidensangel.org)*

Our 4<sup>th</sup> Annual Jaiden's Angel Golf tournament will be held on Thursday, September 22, 2011; Jaiden's 12<sup>th</sup> birthday, at Stonebridge Country Club in Goffstown, NH. It serves as a celebration of her life, and proof that the spirit of a beloved child lives on forever. As our only annual fundraiser, we rely on this event to provide our annual outreach. Our entire BOD is comprised of volunteers; so all funds raised go directly toward families in need. We are seeking corporate sponsors, volunteers, raffle and silent auction items, and of course; at least 100 golfers! As a registered 501c3, your donation is tax deductible (EIN# 30-0456287). **Our message is to treasure every moment with your family, support those who are hurting; and BELIEVE that one person truly can make a positive difference in this world.**

Best Regards,

Holleigh Ciardelli Tlapa, President  
~Forever Jaiden's Mom~

*Providing support and services to local families with children facing critical illness, catastrophic accidents and unexpected death; Making a real difference ~ one family at a time.*

# Thanks to all who helped this year

*EDITOR'S NOTE: Holleigh Tlapa wrote this letter to thank everyone who participated in this year's Jaiden's Angel Golf Tournament.*

The third annual Jaiden's Angel Golf Tournament was a tremendous success due to the overwhelming support of our sponsors, donors, volunteers and golfers. We had 118 players and 20 volunteers who helped throughout the day. Jaiden's message of love, appreciation for life, and helping those in need continues to shine through. She would be so proud.

Special thanks to our primary sponsors this year: The Finlay Foundation of Milford, Lyrics for Life, MOMS Club East & West of Amherst, GreenPages of Portsmouth, Pivot3 of Texas & California, Hendrix Wire & Cable of Milford, McLarney & Company of Concord, Ciardelli Fuel of Milford, Milford United Methodist Church, Grammy Mev and Grampa Gary Ciardelli of Wilton, Grammy Dee and Grampa Dick Tlapa of Medfield, Mass., Gale, Ted and Vicki Tlapa of Illinois, Wendy, Frank and Amri Bauerschmidt of Milford, and Todd, Jody, Geena and Alli Ciardelli of Milford.

Thank you to Dunkin' Donuts of Milford for graciously supplying coffee and donuts for the third year in a row. This is such a nice way to start the day. To make an event like this truly successful, we require the support of so many. An integral part of our day is the tournament prizes, the silent auctions and the wonderful raffles. This year we had 55 raffles, 13 silent auction items and 20 tournament related prizes. Heartfelt thanks to those companies who donated this year; enabling us to have so many magnificent gifts for our attendees. We kept a very generous donation from Walmart to raffle at the Pumpkin Festival; please look for our booth in front of Nancy Hubert Real Estate.

Special thanks to:

It was a beautiful weather day, special ordered by Jaiden. We were honored to have three Jaiden's Angel recipients join us this year. One of the most touching moments of the day was when Chase Bolton's Mom, Jeniffer Burkhart, got up and spoke about how tragedy can change life in a moment; and how foundations like ours impact a family, in their greatest moment of need.

We host this event each year, in an effort to continue to support local families facing tragic child accidents, illness, and the loss of a child. I thank each and every one of you who participated, and I hope that next year we have even greater success. Don't ever forget; you are each an integral part of this Foundation. And each time we assist another family; it is a chance for us all to express our unending love for Jaiden, and our desire to make this world a better place in her memory and honor.

Since losing Jaiden I have learned so many difficult lessons. Nothing happens for a reason; but it is our reaction to life's tragic events and circumstance; that enables us to give profound meaning to those very events which we cannot understand; but are forced to accept. Jaiden's message was a simple one: live your life to the fullest, love unconditionally, and always give back. Thank you for joining us on Jaiden's 11th birthday; to celebrate her amazing life; and to help us continue to keep her legacy of Jaiden's Angel Foundation alive and thriving.

HOLLEIGH CIARDELLI
